Location

This business opportunity is located at the eastern end of Nelson Street, in the heart of the City centre close to its junction with Grainger Street. The immediate area is a mixture of retail, food and leisure accommodation with high levels of both captive and passing trade. Nelson Street is a busy thoroughfare with access into both Eldon Square and Grainger Market.

Business Opportunity

A juice bar and coffee shop has traded from this site for the last 12 months but has been placed on the market as the owners wish to concentrate their efforts on their original outlet, located in Tynemouth.

The premises were fully refurbished prior to opening and no expense has been spared in that refit. The ground floor space is configured with seating options against the walls and an open plan service space which allows customers to order or collect. Behind the service counter there is a partitioned prep area and on the lower ground floor there is additional storage rooms plus separate ladies and gents toilets.

The previous menu was compact offering a range of hot and cold drinks, breakfasts, sandwiches and acai bowls. The premises will be left fully equipped but would be suitable for a range of other food uses under the current Class E planning and lease permission.

This is a well presented and centrally located food and drink opportunity with potential for new owners to take in any direction they wish. Viewing is recommended.
